A woman with long, straight brown hair is shown in profile, looking towards the right. She is holding a black folder or book with both hands. Her expression is one of curiosity or anticipation. A speech bubble above her head contains the text.

I WAS WONDERING
IF DONG-HYUN CAME

The same woman is shown from a slightly different angle, looking upwards with a surprised or questioning expression. Her mouth is slightly open. A speech bubble above her head contains the text. In the foreground, the backs of two people's heads are visible, suggesting she is in a crowd or a public setting.
